Google Cardboard App: Growing a World Wonder

File Size: 475 MB

Capability (Android): 4.1 and up

Capability (Apple): 8.0 and up

Description: "Growing a World Wonder" captures the story of the Great Green Wall in awe-inspiring Virtual Reality (VR). The film follows Binta, a young Senegalese girl, as she and her family tend to their section of the Wall. It explores the challenges they face and how the project is already transforming their lives for the better. The film/app is well done, insightful and incredibly immersive.
