

Volunteer Engagement Bid Sheet

	<p>Project Network Analysis & Upgrades</p>						
<p>Project Description</p>	<p>Our new client Side By Side has a small network that was set up by a volunteer who sadly passed away. There is no documentation of how the network is configure, and the agency is beginning to experience some issues. Help us document what's there, fix current issues, and get them set for continued growth.</p>						
<p>Task</p>	<p>Review current networks, recommend and implement updates</p>						
<p>Task Description</p>	<p>Assist Side By Side with current networks by documenting the current network and firewall settings, investigating dropouts on VOIP (likely to be QoS settings and PoE switch), recommending and implementing improvements, setup guest wifi (will likely require a wifi router) and configure content filtering.</p>
