

Sponsorship Opportunities

Tech4All 4.0

Happy Hour + Networking + Prizes

November 7, 2019 | 5:30-8 pm

This Year's Tech Theme: Solar Power!

Tech4All is the primary fundraiser for IT4Causes, an RVA nonprofit that works with other local charities to provide them with great information technology strategy and solutions to enable their missions, at a price they can afford.

Now in its fourth year, Tech4All 4.0 event is a **technology networking event / happy hour** with beer, wine, and hors d'oeuvres as well as demonstrations of this year's featured technology, solar power. We'll have info and demonstrations of residential solar systems, and participants will get a solar powered USB charger with sponsor logos. We'll also highlight partner nonprofits that IT4Causes is helping with better technology to make a better world.
